

Science Club

Do you love science? Do you like to do hands-on experiments? If so, Science Club is the activity for you! Science club will be on Tuesdays after school. In Science Club, students will have the chance to participate in fun, hands-on science experiments, as well as complete STEM challenges. There is a five dollar supply fee for the club in order for us to provide the supplies needed for experiments and activities during the year.

We are offering two sessions of science club in order to accommodate all students wanting to participate. Students can participate in one of the two sessions.

The first session will meet on the following dates:

September: 17th, 24th
October: 1st, 8th, 15th, 22nd, 29th
November: 5th, 12th, 19th, 26th
December: 3rd

The second session will meet on the following dates:

January: 14th, 21st, 28th
February: 4th, 11th, 18th, 25th
March: 3rd, 10th, 17th, 31st
April: 7th

Please note that transportation from Science Club will not be offered. The students need to be picked up promptly at 3:30. Students that are picked-up late 2 times will be disqualified from the club. In the case of a cancellation, due to weather, a make up date will be communicated to you.

Please return this form by Thursday, September 12th. **Late forms will not be accepted.**
