

# DANCE CLUB 2019-2020

Dance Club is a FREE club open to all PT students and led by Mrs. Ames & Mrs. Kincaid. Members will learn various dances that will be performed at the quarterly PBIS assemblies. Although we would love to have all DC members perform, it is optional. Since there are only 6-7 practices for each performance, a student may not miss more than 2 practices to perform the dance for that quarter. Students can participate/sign up for any and/or all quarters. Performances will be in the morning between 8-9am.

Please make arrangements for your child to be **picked up outside the front entrance by 3:30pm**, as there is no transportation provided by the district. If your child's ride is late more than twice, he/she may be removed from the club.

Proper **behavior** is expected on the part of all students. Those who misbehave or fail to put forth effort will be removed from the club. If you have been removed from the club for any reason, you may not sign up again until the following school year. Please read, complete, and return the permission slip to Mrs. Ames or Ms. Kincaid prior to the first practice of the quarter. You may want to keep the top half with the practice dates. Please only return the bottom.
